1/30/2014

The Retail Group of Cox, Castle & Nicholson LLP has, once again, taken on the daunting task of forecasting what to expect in the forthcoming year in four critical segments that affect the retail industry. In doing so, they have analyzed the social, political and economic events of 2013, reviewed various economic data and projections and have come to certain opinions relating to the retail industry and where it is heading in 2014.
